

**Immigration & Expanding Cities:**  
***Urbanization and Mechanization***

Name: \_\_\_\_\_

\* From 1865 to 1890 most immigrants came from \_\_\_\_\_ and \_\_\_\_\_ Europe.

\* From 1890 to 1920 most immigrants came from \_\_\_\_\_ and \_\_\_\_\_ Europe.

\* Most immigrants came into the United States through \_\_\_\_\_ in New York City.

*Explain how and why cities grew and expanded in the late 1800s:*

---

---

---

---

---

---

---

---

*How did cities grow “up”?*

---

---

---

---

*What is a suburb?*

---

---

---

*What were some problems with urban living in the late 1800s?*

---

---

---

*Do you think the analogy of a “melting pot” accurately described the U.S. at the turn of the 20<sup>th</sup> century?  
Do you think it is an accurate description now? (WHY or WHY NOT)*

---

---

---
